Classification of Records

Records means all records, maps, books, papers, and documents of a school district required by law to be prepared or retained as necessary or convenient to the discharge of official duty. (5 CCR 16020)

(cf. 1340 - Access to District Records)

Before January 1, the Superintendent or designee shall review the prior year's records and shall classify them as either a Class 1 (Permanent), Class 2 (Optional), or Class 3 (Disposable) record. (5 CCR 16022)

Records of continuing nature (active and useful for administrative, legal, fiscal, or other purposes over a period of years) shall not be classified until such usefulness has ceased. (5 CCR 16022)

An inventory of equipment shall be a continuing record and shall not be classified until the inventory is superseded or until the equipment is removed from district ownership. (5 CCR 16022)

(cf. 3440 - Inventories)

A student's cumulative record is a continuing record until the student ceases to be enrolled in the district. (5 CCR 16022)

(cf. 5125 - Student Records)

When an electronic or photographed copy of a Class 1 (Permanent) record has been made, the copy may be classified as Class 1 (Permanent) and the original classified as either Class 2 (Optional) or Class 3 (Disposable). However, no original record that is basic to any required audit may be destroyed prior to the second July 1st succeeding the completion of the audit. (Education Code 35254)

Class 1 - Permanent Records

The original of each of the following records, or one exact copy of it when the original is required by law to be filed with another agency, is a Class 1 (Permanent) record and shall be retained indefinitely unless microfilmed in accordance with 5 CCR 16022: (5 CCR 16023)

1. Annual Reports
 - a. Official budget
 - b. Financial reports of all funds, including cafeteria and student body funds
 - c. Audit of all funds
 - d. Average daily attendance, including Period 1 and Period 2 reports

District Records (Cont.)

- e. Other major annual reports, including:
 - (1) Those containing information relating to property, activities, financial condition, or transactions
 - (2) Those declared by Governing Board minutes to be permanent
 - (cf. 3100 - Budget)
 - (cf. 3452 - Student Activity Funds)
 - (cf. 3460 - Financial Reports and Accountability)
 - (cf. 3551 - Food Service Operations/Cafeteria Fund)

2. Official Actions

- a. Minutes of the Board or Board committees, including the text of rules, regulations, policies, or resolutions included by reference only
- b. The call for and the result of any elections called, conducted, or canvassed by the Board
- c. Records transmitted by another agency pertaining to its action with respect to district reorganization
 - (cf. 7214 - General Obligation Bonds)
 - (cf. 9324 - Minutes and Recordings)

3. Personnel Records

Class 1 (Permanent) records include all detailed records relating to employment; assignment; amounts and dates of service rendered; termination or dismissal of an employee in any position; sick leave record; rate of compensation, salaries, or wages paid; and deductions or withholdings made and the person or agency to whom such amounts were paid. In lieu of the detailed records, a complete proven summary payroll record for each employee containing the same data may be classified as a Class 1 (Permanent) record and the detailed records may then be classified as Class 3 (Disposable) records.

Information of a derogatory nature as defined in Education Code 44031 shall be retained as a Class 1 (Permanent) record only when the time for filing a grievance has passed or the document has been sustained by the grievance process.

- (cf. 4112.5/4212.5/4312.5 - Criminal Record Check)
- (cf. 4112.6/4212.6/4312.6 - Personnel Files)

4. Student Records

The records of enrollment and scholarship for each student required by 5 CCR 432 and all records pertaining to any accident or injury involving a minor for which a claim for damages had been filed as required by law shall be classified as Class 1 (Permanent) records. These include any related policy of liability insurance, except that these records cease to be Class 1 (Permanent) records one year after the claim has been settled or the statute of limitations has expired.

District Records (Cont.)

(cf. 5111.1 - District Residency)
(cf. 5141 - Health Care and Emergencies)
(cf. 5143 - Insurance)

5. Property Records

Class 1 (Permanent) records include all detailed records relating to land, buildings, and equipment. In lieu of detailed records, a complete property ledger may be classified as a Class 1 (Permanent) record. The detailed records may then be classified as Class 3 (Disposable) records if the property ledger includes all fixed assets; an equipment inventory; and, for each piece of property, the date of acquisition, name of previous owner, a legal description, amount paid, and comparable data if the unit is disposed of.

(cf. 3280 - Sale or Lease of District-Owned Real Property)

Class 2 - Optional Records

Any records considered temporarily worth keeping, but which are not Class 1 records, may be classified as Class 2 (Optional) records and shall be retained until reclassified as Class 3 (Disposable) records. If, by agreement of the Board and Superintendent or designee, classification of the prior year records has not been made before January 1 as specified in 5 CCR 16022, all records of the prior year may be classified as Class 2 (Optional) records pending further review and classification within one year. (5 CCR 16024)

Class 3 - Disposable Records

All records not classified as Class 1 (Permanent) or as Class 2 (Optional) records shall be classified as Class 3 (Disposable) records. These include, but are not limited to, detailed records basic to audit, including those relating to attendance, average daily attendance, or business or financial transactions; detailed records used in preparing another report; teachers' registers if all information required by 5 CCR 432 is retained in other records or if the General Records pages are removed from the register and classified as Class 1 (Permanent) records; and periodic reports, including daily, weekly, and monthly reports, bulletins, and instructions. (5 CCR 16025)

All Class 3 (Disposable) records shall be destroyed during the third school year after the school year in which the records originated. In addition, Class 3 (Disposable) records shall not be destroyed until after the third school year following the completion of any legally required audit or the retention period required by any agency other than the State of California, whichever is later. A continuing record shall not be destroyed until the fourth year after it has been classified as a Class 3 (Disposable) record. (5 CCR 16026, 16027)

(cf. 5113.2 - Work Permits)

Electronically Stored Information

All electronically stored information related to the conduct of district business, including information created, saved, sent, or received on a district employee's or Board member's personal account or device, shall be saved as an electronic file to a district-provided account or device and retained in accordance with the section "Classification of Records" above. Such information includes, but is not limited to, email, text messages, instant messages, computer files, and other electronic communications related to district business. In addition, when appropriate, the information may be printed and physically filed in a way that allows it to be easily retrieved when needed.

(cf. 9012 - Board Member Electronic Communications)

Employees shall be required to regularly purge their email accounts and district-issued computers, cell phones, and other communication devices of personal electronically stored information and other information unrelated to district business. The Superintendent or designee may check for appropriate use of any district-owned equipment at any time.

(cf. 4040 - Employee Use of Technology)

Any person to whom a district-owned computer, cell phone, or other electronic communication device is provided shall be notified about the district's electronic information management system and, as necessary, provided training on the effective use of the device.

Email Retention and Deletion

The Governing Board provides employees with e-mail to communicate and conduct business. In doing so, the Board expects employees to manage and protect records resulting from e-mail communications. Such e-mail may include, but is not limited to, correspondence and attachments, calendar schedules, and forms transmitted electronically.

A systemic retention and deletion program not only eliminates obsolete documents from the e-mail system but also saves resources by not indefinitely and unnecessarily storing information beyond appropriate timelines. E-mail retention guidelines are implemented to comply with the Federal Rules of Civil Procedure, E-Discovery and the Public Records Act.

E-mail retention guidelines apply to:

1. All e-mail systems provided by the district.
2. All users and account holders of the district e-mail.
3. All e-mail sent and received using the district e-mail system.

Email and attachments will be retained for a period of 18 months. E-mail and attachments older than 18 months will be automatically and permanently deleted.

To comply with the law in retaining of certain documents, employees may save copies of e-mail and attachments before the 18 month period expires by transferring them to other electronic formats or by converting them to paper format.

District Records (Cont.)

E-mail originators and recipients are responsible for identifying and saving documents that must be retained by law. Saving e-mail to PST format, saving e-mail to workstations, or archiving e-mail locally are not approved e-mail retention methods. All e-mail must remain on the e-mail server during the retention period.

E-mail should be a communication tool, not a storage mechanism. Back-up tapes are for disaster recovery purposes only. Back-up copies created by staff are not for e-mail retention. Back-up copies on tape should be retained no more than 18 months.

Regardless of retention requirements, e-mail and all other electronic or paper documents pertaining to legal proceedings must be retained until the litigation is finally concluded. This may be referred to as a legal Hold.
