The screenshot displays the 'Escape Online 5 - RISANDERS on Production (Administrator)' web application. The browser window title is 'Escape Online 5 - RISANDERS on Production (Administrator)'. The application interface includes a top navigation bar with 'Home Page' and 'Logoff' options. A left sidebar contains a menu with categories: 'Finance' (Budget, Fiscal, Requisitions, Approve Requisitions, Vendor Requisitions, Assets, Purchasing, Work Orders, Reports, My Reports, Report Favorites) and 'Online Resources'. The main content area features a header with the 'Butte County Office of Education' logo and various school district logos (e.g., Bonetown Charter School, Paradise Unified School District, Butte Schools, Oroville, Core!). Below the header, a banner reads 'Butte County Schools, Welcome to Escape Online 5'. The central focus is a large, stylized text overlay: 'Happy New Year' in blue, 'We are live on Escape' in blue, and 'Let's Get Crackin'' in green. At the bottom, a Windows taskbar shows the system tray with the date '1/8/2018' and time '7:10 PM'. A 'Notification message settings' dialog box is open at the bottom left of the application window.

Set notification preferences

If Message Center is selected, notifications will show on the lower right-hand corner of the Escape home page as a yellow envelope. Right click or Double click on the icon to enter the message center.
